

1 : 1250

This set of drawings are definitely sufficient to satisfy a Planning or Building Regulations submission. No Liability is accepted for any loss or any sort of additional expense incurred consequent on any failure, real or alleged of the drawings to meet the requirements of any body of regulations or otherwise.

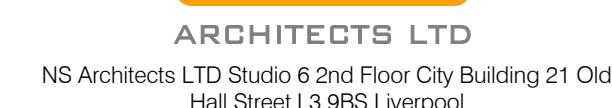

The layout and Spec of this drawing is a guide as to what may be required to satisfy a Planning or Building regulation Submission. This does not imply that this is the only way to achieve a successful Planning or Building Regs Consent. No liability is accepted for loss or expense incurred consequent of any variation to the layout specification that may be required as a result of onsite or office conditions, availability of material custom and practice, or the requirements of the Planning or Building Control inspector or consultant engineer. This Drawing is protected by copyright of NS Architects Ltd. Do not scale from this drawing.

All heights, levels, sizes and dimensions are to be checked on site (before any pours or starts) and if necessary to be varied unless the drawings is issued within the description to do so.
