

This architectural floor plan depicts a multi-unit residential building. The layout is centered around an 'OPEN COURTYARD' which contains a 'Lift' and a 'Gymnasium'. The building is divided into two main wings of residential units, labeled G1 through G20. Each unit is shown with its own bathroom, kitchen, and living area. The plan also includes a 'Laundry' room and a 'Cycle Store'. The building is surrounded by a grid of street numbers, and a north arrow and scale bar are provided for orientation and measurement.
