

Technical drawing showing three waste bins arranged side-by-side. The overall width of the arrangement is dimensioned as 4448. Each bin has a lid with a handle and is mounted on four casters. The bins are shown within a frame structure.

Technical drawing of a three-panel roller shutter door. The total width is indicated as 4448 mm. The door consists of three vertical panels, each with horizontal slats. The central panel is slightly recessed and features a handle. The side panels are flanked by vertical guides. The drawing is a black and white line art representation.
