Store Front Replacements

Description of *existing* materials and finishes:

Existing store fronts are floor to ceiling clear glazing with metal support brackets. Double leaf, glazed entrances currently provide access into each of the 3no. units, with tenant signage zones located above each store entrance.

Description of *proposed* materials and finishes:

'Victoria's Secret' store front proposal predominately consists of 12mm thick clear tempered glass, with milk white polycarbonate with printed ribbon pattern. Glass panels are supported with pre-finished break metal mullions and the store entered via a pair of swing doors, with prefinished top and bottom rails. The 'Victoria's Secret Pink' predominantly comprises of 12mm thick clear tempered glazing, with 2mm painted polycarbonate panels. Glass panels are supported with pre-finished brass mullions and the store entered via a pair of pre-finished wood doors with primed jambs and glazed fixed panels.

All glazed panels will be back lit with LED panels to provide a even glow.

3no. light boxes are located across the proposed store front, providing an active frontage for display items.

For Full material and design proposals, please refer to the supporting document drawings attached to this application. (A separate Consent for Advertisement application will be issued to Liverpool County Council)
