04 September 2020

Dear Peter,

## **BRAMLEY-MOORE DOCK, LIVERPOOL APPLICATION REFERENCE 20F/0001 – ADDENDUM**

CBRE Limited, on behalf of the applicant Everton Stadium Development Limited, hereby submit an addendum to planning application reference 20F/0001. Following submission of application reference 20F/0001 in December 2019, which seeks full planning permission for a stadium and associated development, several design changes have been made which have necessitated the provision of updated plans and planning application documents.

The design changes which have been made to the application proposals since submission of the application are described in the submitted Planning Statement Addendum, Design & Access Statement Addendum and updated Environmental Statement.

This covering letter provides the updated proposed description of development and a list of the documents provided as part of this addendum. This letter also acknowledges which documents, which were submitted as part of the 2019 application, are not superseded and therefore remain as per the original submission.

## **DESCRIPTION OF DEVELOPMENT**

The revised description of development is as follows:

*Application for Full Planning Permission in accordance with submitted drawings for the demolition of existing buildings/structures on site (listed in the schedule); remediation works; foundation/piling works; infill of the Bramley-Moore Dock, alteration to dock walls and dock isolation works with vehicular and pedestrian links above; and other associated engineering works to accommodate the development of a stadium (Use Class D2) predominantly for football use, with the ability to host other events, with ancillary offices (Use Class B1a); Club Shop and retail concessions (internal and external to the stadium) (Use Class A1); exhibition and conference facilities (Use Class D1); food and drink concessions (internal and external to the stadium) (Use Classes A3 / A4 / A5); betting shop concessions (Sui Generis); and associated infrastructure including: electric substation, creation of a water channel, outside broadcast compound, photo-voltaic panels, storage areas/compound, security booth, external concourse / fan zone including performance stage, vehicular and pedestrian access and circulation areas, hard and soft landscaping (including stepped plaza, canopies, lighting, wind mitigation structures, public art, tree planting and boundary treatments), cycle parking*

*structures and vehicle parking (external at grade) and change of use of the Hydraulic Tower structure to an exhibition / cultural centre (Use Class D1) with ancillary food and drink concession (Use Class A3).*

## **APPLICATION SCOPE**

The application proposal has been subject to extensive pre-application consultation with LCC and other relevant statutory consultees, including Historic England. This consultation has been ongoing throughout the determination period of application reference 20F/0001 and has directly informed the design changes proposed.

The Applicant has conducted a full Environmental Impact Assessment (EIA) on a voluntary basis. The Environmental Statement (ES) forms part of this planning application addendum and has been prepared under The Town and Country Planning (Environmental Impact Assessment) Regulations 2011. A request was made to LCC to advise on the nature of the information to be provided in the ES. The Scoping Request was submitted to the Council on the 15th May 2017. The response was received on the 8th November 2017. The 2020 ES replaces that originally submitted in 2019 to support application reference 20F/0001.

On the basis of this consultation and in accordance with statutory requirements, the Addendum submission comprises the following drawings and technical reports:

- This Covering Letter;
- Planning Statement Addendum (September 2020);
- Design & Access Statement Addendum (September 2020);
- Environmental Statement, Volume 1: Non-Technical Summary (September 2020);
- Environmental Statement, Volume 2: Main Volume of the ES (September 2020);
- Environmental Statement, Volume 3: Technical Appendices (Various dates);
- Updated plans (please refer to schedule within this Covering Letter);
- Energy Statement (August 2020);
- Sustainability Statement (September 2020);
- Framework Event Transport Strategy Summary (September 2020);
- Match Day Transport Strategy Summary (September 2020);
- Interim Staff Travel Plan (September 2020);
- Security Planning Report (July 2020);
- Utilities Status Report Update (August 2020);
- Social and Heritage Value Report – Post Covid-19 Update (September 2020);
- The Societal Value of the Relocation of Everton Football Club: Update of Social Value Analysis (September 2020);
- Alternative Sites Assessment (September 2020); and
- Section 106 Heads of Terms.

The following table details how the above Addendum documents interact with the previously submitted documents associated with application 20F/0001, including where documents have been replaced by the above or remain extant.

REPORT TITLE	PREPARED BY	STATUS
Planning application form, notices and certificates	CBRE Limited	Extant
This Covering Letter	CBRE Limited	This Covering Letter replaces the Covering Letter dated 23/12/2019
Full suite of planning application drawings	Pattern Design; Planit-IE; Buro Happold; Murphy Surveys	Please refer to schedule of submitted plans within this Covering Letter
Planning Statement	CBRE Limited	Extant and to be read alongside the submitted Planning Statement Addendum (CBRE Limited, 2020)
Alternative Sites Assessment	CBRE Limited	2020 Assessment replaces the 2019 Assessment
Environmental Statement Volume 1: Non-Technical Summary	CBRE Limited	2020 ES replaces the 2019 ES
Environmental Statement Volume 2: Main Volume	Various	2020 ES replaces the 2019 ES
Environmental Statement Volume 3: Technical Appendices	Various	2020 ES replaces the 2019 ES
Design & Access Statement	Meis Architects	Extant and to be read alongside the submitted Design & Access Statement Addendum (Pattern Design, 2020)
Hydraulic Engine House Design Intent Report	Pattern Design	Extant
Statement of Community Engagement	Influential	Extant
Sustainability Statement	Buro Happold	2020 report replaces the 2019 Assessment
Energy Statement	Buro Happold	2020 report replaces the 2019 Assessment
Societal Value Report	Real Worth	Extant and to be read alongside the submitted 2020 Update to Social Value Analysis (Simetrica-Jacobs)
Social & Heritage Value Report	Simetrica-Jacobs	Extant and to be read alongside the submitted 2020 update (Simetrica-Jacobs)
Desk Top Utilities Search	Buro Happold	Extant
Utilities Status Report	Buro Happold	2020 report replaces the 2019 report
Bathymetric Survey	Maltby Shoreline Surveys	Extant
Bramley-Moore Dock Condition Survey	Pebble Engineering	Extant
Security Planning Report	Buro Happold	2020 report replaces the 2019 report
Interim Staff Travel Plan	Mott MacDonald	2020 report replaces the 2019 report
Match Day Transport Strategy Summary	Mott MacDonald	2020 report replaces the 2019 report
Framework Event Transport Strategy Summary	Mott MacDonald	2020 report replaces the 2019 report
Section 106 Draft Heads of Terms	Slaughter & May	2020 document replaces the 2019 document

Environmental Statement, including the following technical disciplines		
Transport	Mott MacDonald	2020 ES replaces the 2019 ES
Air Quality	WYG	2020 ES replaces the 2019 ES
Noise & Vibration	WYG	2020 ES replaces the 2019 ES
Ground Conditions & Contamination	Buro Happold	2020 ES replaces the 2019 ES
Water Resources, Flood Risk and Drainage	Buro Happold	2020 ES replaces the 2019 ES
Ecology (Terrestrial & Aquatic)	WYG	2020 ES replaces the 2019 ES
Wind	Buro Happold	2020 ES replaces the 2019 ES
Daylight, Sunlight & Overshadowing	Anstey Horne	2020 ES replaces the 2019 ES
Lighting	WYG	2020 ES replaces the 2019 ES
Townscape & Visual Impact	WYG	2020 ES replaces the 2019 ES
Heritage	KM Heritage	2020 ES replaces the 2019 ES
Archaeology	Oxford Archaeology North	2020 ES replaces the 2019 ES
Socio-Economics	CBRE Limited	2020 ES replaces the 2019 ES

A full schedule of submitted drawings is appended to this cover letter for ease of reference.

If there are any immediate queries then please do not hesitate to contact me in the first instance.

Yours sincerely

CHRIS ARGENT  
DIRECTOR – NATIONAL PLANNING
