Dear Jon,

**Re. Full planning application for the development of a new Neighbourhood Health Centre, associated parking, access, landscape and boundary treatments, on land bounded by Edge Lane, Holt Road, Wedgewood Street and Wimpole Street.**

I am pleased to confirm that the application for the above has been submitted today via the Planning Portal (ref. PP-01468687).

This application is for the development of a neighbourhood health centre. It has been prepared on behalf of the applicant – Liverpool and Sefton Health Partnership.

The application and supporting documentation comprises:

- Planning Application Forms and Certificates
- Application plans and drawings;
- Planning, Design and Access Statement
- Transport Assessment and
- Ground Investigations Report

I enclose a Site Notice under article 11 of the Town & Country Planning (Development Management Procedure) (England) Order 2010. This has been issued to Liverpool City Council's Estate Department (Malcolm Irvine) and Highways Department (Steven Holcroft), and I enclose a copy for your information.

I enclose a cheque for the requisite fee of £12,060, as confirmed on the Planning Portal. I would be pleased to receive your confirmation that the application is registered and valid at your earliest convenience.

Yours sincerely,

**Gary Lynch**  
**Senior Town Planner (MRTPI)**
