23rd December 2014

Ms Nicola Gallagher
Liverpool City Council
Planning Department
Millennium House
60 Victoria Street
L1 6JH

Dear Nicola,

Re: Application for Full Planning Permission and Listed Building Consent for the demolition of an existing school and partial demolition of two boundary walls, and the erection of a new school with associated parking, plant room, sports pitches and hard and soft landscaping at St Julie's Catholic High School, Speke Road, Liverpool, L25 7TN

I am pleased to confirm that the above application has been submitted today via the Planning Portal (Ref: PP-03841336), and the fee of £29,399 will be made by internal transfer using the transfer code BEERJ12. Due to file size restrictions on the Portal, all plans and reports have been submitted on CD (the plans are on one CD, and reports on another, and two copies of each have been provided), which have been hand delivered to the Municipal Buildings today. We will drop off a hard copy of all documents in the New Year.

Please refer to the attached document schedule for a full breakdown of the suite of supporting documents and drawings. We understand that a full LVIA is not required for this application, and therefore all aspects of landscape and visual impact have been covered thoroughly within the Design and Access Statement.

Please also note that any additional documentation required to support the Listed Building Consent, including a Method Statement will be provided to the Council in the New Year.

I trust that the submitted information meets with your approval, and would be grateful if you could confirm receipt and validation of the application at your earliest convenience. If you require any further information, please do not hesitate to contact me.

Yours Sincerely,

Katy Barry
Planner
