Hi Gemma,

Apologies for the delay in getting this info to you.

Please find attached the following:-

- The mechanical schematic drawing, showing details of the proposed plant.
- The ground floor domestic services drawing showing where the hot water plant is to be located (the mech plantroom of Block A).
- Manufacturer’s literature of the proposed water heaters – 2no. BFC 120’s.
- A typical studio layout showing the proposed ventilation system.
- Manufacturer’s literature of the proposed ventilation unit.

Please let me know if you/Planning require any further info.

Regards,

Neil

Subject: Seel Street - Planning Condition

Hi Neil / Lee,

Is there any chance you could provide me with some information for the Plant and Ventilation Systems planning condition? All the condition asks for is as follows: (iv) details of the proposed plant and ventilation system units serving the student accommodation;

I’m going to issue the initial six planning conditions on Thursday so if you could get use something across for this it would be really appreciated.

Kind regards

Gemma
