

Existing Site Plan

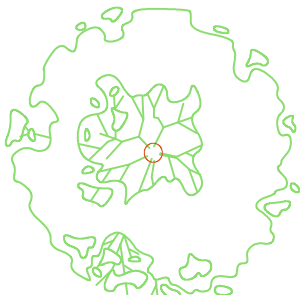

Proposed Site Plan

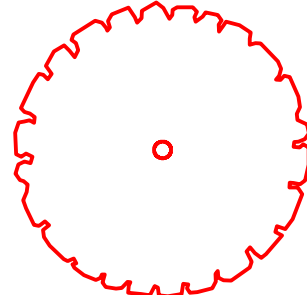

Tree 1 and Neighbouring Tree

Tree 2

Existing Large Tree

Tree to be removed

Legend

Statement

The 2no. trees are being requested to be removed due to inappropriate scale for the plot. The height and overall width of the canopy

Trees also appear to be leaning and worries are that in future high winds both damage to the application property and neighbouring properties.

A meeting with the Council's Arboriculturist would be appreciated to ascertain the health of the trees. And the applicant is prepared to plant new trees in replacement should this be available.
