[Write a review](#)

Premier Round Cast Iron Downpipe 1.83m (6') Plain available in Standard Grey Metal Primer or finished in Black Semi Gloss - Other Colours available upon request.

The Premier system from Hargreaves Foundry is a traditional cast iron system and is particularly well suited for all drainage systems and is a popular choice for conventional rainwater and soil drainage. It offers many benefits such as long life, strength, durability, low maintenance and sustainability.

Manufacturer: Hargreaves
