

All dimensions are in millimetres unless stated otherwise. No dimensions to be scaled from drawings. All dimensions to be checked on site prior to manufacture.

Any discrepancies between drawings and site conditions are to be reported to the contract manager.

NOTES

All steelwork to be galvanised finished. Balustrade guardrail and infill to be designed to withstand 1.5kN/m horizontal loading. Timber handrail material to be agreed. Surface mounted fixing plates with stainless steel dome head nuts.
