

- NOTES
- All dimensions and levels are to be checked on site.
  - Any discrepancies are to be reported to the architect before any work commences.
  - This drawing shall not be suitable to separate any structure, work or ground from any other work, without permission from ARK.
  - The existing retaining and existing boundaries are shown for reference only. Any discrepancies are to be reported to the architect before any work commences.
  - Levels are shown according to a datum of 2000.00m.
