

KEY

Planning Application Boundary

HARDWORKS

Natural Stone - Type 1
- Location: Throughout public realm
- Type: Porphyry or similar quality natural stone
- Colour: To be developed
- Various module sizes, finishes and laying

Natural Stone - Type 2
- Various module sizes and finishes
- Module, finishing and laying to contrast Type 1
- Subject to further design

Feature Banding - Type 3
- Feature banding feature through public space.
- Width: 500mm
- Module sizes / finish / laying type to be developed
- Blocks to form contrast banding to Type 2

Feature Banding - Type 4
- Proposed banding to tie into existing banding through Old Hall Street & new architectural columns.
- Module sizes / finish / laying type to be developed

Steps
- To take up level change between existing and Building threshold. Material to complement hardworks palette

Planter Edge
- Metal upstand edge or similar retaining structure to planting beds.
- Subject to further design

Kerb
- 300mm x 30mm upstand
- To delineate vehicular turning point within paving.
- Subject to further design

Wall
- New wall to define site boundaries
- Potential to incorporate artwork / lighting
- Subject to further design

Tree Frame
- For all trees planted into hard surfaces
- Various sizes to accommodate eventual trunk width
- Subject to further design

Metal Studs
- To demarcate extent of adopted highway

SOFTWORKS

Note:

Deciduous Tree - Proposed
- Clearstem & multistem
- Typologies: Street, Ornamental, Feature

Evergreen Tree - Proposed

Planter
- Mix of ornamental, screening, groundcover and bulb species
- Moundings / contouring as shown (levels to be developed)

Hedge
- 1.2m Evergreen hedge to border adoptable footpath and provide screening.

FURNITURE

Lighting - Columns
- Subject to further design

Lighting - Planting lighter
- Subject to further design

Lighting - Tree Uplighter
- Subject to further design

Sculptural Gateway Feature
- To be fixed to top of wall
- Description: Stainless steel frame, satin finish, 100x47mmx iroko timber slats fixed to steel frame, fixed to stone wall.
- To include bracing to rear of wall (hidden)
- Subject to further design / Refer to T-300 series

Linear Benches
- Timber topped feature bench to define the square
- Subject to further design

Seating - Feature
- Large feature seating units
- Subject to further design

Seating - Outdoor Armchairs
- 'DAE Montseny' or similar
- Subject to further design

Cycle Stand
- Product: 'Bay' by Vestre or similar
