Dear Peter

**Princes Dock Boundary Wall Alteration
Full Planning and Listed Building Consent Application**

On behalf of our client, Peel Holdings, I am pleased to confirm that the application for the above has been submitted today via the Planning Portal (ref. PP-06356815). I enclose the completed package of drawings and a CD copy of the supporting documents for the full planning application proposing:

Alteration of the Princes Dock Boundary Wall involving the creation of a new opening and the infill of an existing pedestrian access. The introduction of new gate piers and hard and soft landscaping at William Jessop Way, Princes Dock, Liverpool, L3 1QP (Northing 390758, Easting 333739).

The application and supporting documentation comprises:

- Application forms and certificates;
- Application plans and drawings;
- Archaeological Statement;
- Design and Access Statement;
- Heritage Impact Assessment;
- Liverpool Waters Conformity Statement;
- Planning Statement; and
- Transport Statement.

The planning fee of £390 has been paid via credit card on 12th September 2017 with the reference WSZZ00489889.

I would be pleased to receive your confirmation that the application is registered and valid as of today. Should you have any queries or wish to raise any comments regarding the application, please do not hesitate to contact me.
