

Zip World Liverpool
St John's Gardens Memorial Reflection
18/12/2019

The proposed zip lines over sail St John's Gardens which include permanent and temporary mountments, predominantly from the late Victorian and Edwardian eras. The monuments including Alexander Balfour monument, a merchant ship owner, Regimental monument, a memorial to the King's Liverpool Regiment and William Gladstone monument, who was Prime Minister and born in Rodney Street. The Gladstone monument is also an area dedicated to several other small memorials.

Zip World respect that the use of zip lines above these memorials could be inappropriate at certain times and are therefore have drawn up a plan to cease its operation during certain events and times. Zip World are eager to work alongside community groups so that other events are considered on a case by case basis. In addition, Zip World would welcome the opportunity to support community groups and charities and support fund raising initiatives where possible. Zip World will respect times of reflection, for annual events observed. These will be:

1. Remembrance Sunday - All Day
2. Armistice day 10:30-11:30
3. Christmas Day - All Day
4. 15th April - Hillsborough Disaster Reflection 14:30-15:30, negotiable with the City Mayor's Office as required.
